|--------------------|-----------------------------------------|-----------------|-------------------------------------------------------|
| Product Name       | Cagrilintide 10 mg/vial                 | Received Date   | October 12, 2026                                      |
| Batch No.          | WM-U7U0-CGL10                           | Reported Date   | October 12, 2026                                      |
| Brand              | ANMIT LABS                              | Manufacturer    | SUZHOU XILIN TECHNOLOGY CO.,LTD                       |
| Sample description | Blue lyophilized powder in labeled vial | Tests requested | Identity and purity assessment of peptide vial sample |

| Specification             | Result       | Method           | Status     |
|---------------------------|--------------|------------------|------------|
| Identity                  | Cagrilintide | ESI-MS           | ✓ Conforms |
| Fill Amount / Label Claim | 10 mg/vial   | Filling Record   | ✓ Conforms |
| Purity                    | 99.91%       | RP-HPLC (220 nm) | ✓ Conforms |

## HPLC Chromatogram (Retention Time: 11.184 min)

## Mass Spectrum (ESI-MS)

Remarks: For laboratory research use only. Not for human or veterinary use.

|                |                                                                                                                                                                                                                                                            |
|----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Checked By<br> | This report summarizes the test results for the submitted sample. Purity was analyzed by RP-HPLC, and identity was assessed by ESI-MS. The results apply only to the tested batch/sample and are provided for research and quality-control reference only. |
